GOLDMUSKATELLER 2021

SÜDTIROL

Grape variety: Moscato Giallo

Location: Kalterersee-Bärental 360 m.s.l.

Yield: 40 dz/ha (new vines)

Alcohol content: 13,0 Vol %

Acidity: 5,9 g/l

Residual sugar: 1,7 g/l

Description: As the name suggests, this wine presents itself with beautiful nutmeg notes. The grape variety grows in the Mediterranean climate above Lake Caldaro, allowing it to develop fine aromas of orange blossom and citrus fruits - impressive on the palate with an enchanting finish.

Similar to our Gewürztraminer, our Moscato Giallo has a dry finish, which is uncommon for this variety.

Recommended with: This wine is a perfect aperitif drink, it is dry and aromatic and is best combined with fish dishes, antipasti and cheese.

Serving temperature: 9° - 11°C
